## Dear Shareholder

I look forward to welcoming you to the 2018 Annual General Meeting (“AGM” or the “Meeting”) of Ferguson plc (the “Company”) to be held on Thursday, 29 November 2018. The AGM will be at IBZ Schulen AG, Landis + Gyr-Strasse 1, CH-6300 Zug, Switzerland, and will commence at 12.30pm, Swiss time.

As in previous years, for the convenience of our shareholders who are unable to travel to Zug, an audio-visual link to the Meeting will be available at The Lincoln Centre, 18 Lincoln’s Inn Fields, London WC2A 3ED, United Kingdom, commencing at 11.30am, UK time. Shareholders attending the venue in London will not be regarded as present at the AGM (or any adjournment thereof) and will therefore not be entitled to vote at the Meeting. A failure of the audio-visual link will not in any way affect the validity of the proceedings of the AGM which shall continue in Zug.

The business to be considered at the AGM is set out in the Notice of Meeting (the “Notice”), which you can find on pages 4 and 5 of this document. **Your board considers that all of the resolutions set out in the Notice (the “Resolutions”) are in the best interests of the Company. Accordingly, the directors unanimously recommend that you vote in favour of the Resolutions as they intend to do in respect of their own shareholdings.**

### Final Dividend

Shareholders are being asked to approve a final dividend of 131.9 cents per ordinary share for the financial year ended 31 July 2018. If approved, the final dividend will be paid on 5 December 2018 to all shareholders who were on the register of members of the Company at 6.00pm (UK time) on 26 October 2018.

### The Board of Directors

I would like to draw your attention to Resolutions 5 to 13 which relate to the re-election of our directors (the “Directors”). In accordance with the UK Corporate Governance Code, all Directors will be standing for re-election this year.

A summary of the skills and experience of each Director is set out on pages 6 and 7 of this document. The Board contains a broad range of experience and skills from a variety of industries and advisory roles, which complement each other, and I believe that each of the re-elections in Resolutions 5 to 13 is in the best interests of the Company.

### Voting

All Resolutions for consideration at the Meeting will be decided on a poll rather than on a show of hands. This means that each shareholder has one vote for every ordinary share held.

Although we like as many shareholders as possible to attend our AGM, I do appreciate that this is not always possible. However, even if you are not able to attend the AGM in Zug in person your vote is still important. If you are not able to attend the AGM in Zug in person, or you are attending the venue in London, I would encourage you, regardless of the number of shares you own, to complete, sign and return the accompanying Form of Proxy to our Registrar as soon as possible but, in any event, so as to be received by no later than 12.30pm, Swiss time, (11.30am, UK time), on 27 November 2018.

Your vote matters. Further details about how to vote are given on pages 10 and 11 of this document.

### Questions and answers

The AGM provides an opportunity for you to ask questions about the business of the Meeting and to raise other matters about the business of the Company. I will endeavour to ensure that discussions are kept relevant and that as many shareholders as possible have the opportunity to speak.

I would also like to draw your attention to a meeting with the UK Shareholders’ Association which will be held on Wednesday 21 November 2018. Further details about this meeting can be found at the end of this document.

I do hope that you will be able to attend our AGM and I look forward to seeing as many of you as possible.

Yours sincerely

**Gareth Davis**  
Chairman

## Explanatory notes

The following explanatory notes provide further detail about the Resolutions proposed at this AGM.

### Resolution 1 – Annual Report and Accounts

The Directors are required to present to shareholders at the Annual General Meeting the Company's audited accounts, the strategic report and the Directors' and Auditors' reports for the financial year ended 31 July 2018.

### Resolutions 2 and 3 – Directors' Remuneration Report and Remuneration Policy

Although not required by Jersey law, as a matter of good governance the Company puts before shareholders in the Annual General Meeting separate resolutions to approve the Directors' Remuneration Report and the Remuneration Policy.

Resolution 2 seeks shareholder approval for the Directors' Remuneration Report for the financial year ended 31 July 2018 (other than the Remuneration Policy) as set out on pages 70 to 96 of the 2018 Annual Report and Accounts. The report includes a remuneration table containing details of the Directors' emoluments, including a single figure of pay for each Director who served during the 2017/2018 financial year. The report includes the disclosures required under the Large and Medium-Sized Companies and Groups (Accounts and Reports) Regulations 2008 (as amended) which apply to UK incorporated quoted companies.

The Company's auditors, Deloitte LLP, have audited those parts of the Directors' Remuneration Report capable of being audited and their report may be found on pages 140 to 145 of the 2018 Annual Report and Accounts. The vote on the Directors' Remuneration Report is advisory.

Following a period of consultation with major shareholders, the Company is proposing to change its Remuneration Policy this year. Resolution 3 seeks shareholder approval for the Remuneration Policy which is set out on pages 74 to 85 of the Directors' Remuneration Report contained within the 2018 Annual Report and Accounts. It sets out the Company's policy on remuneration and potential payments to Directors going forward. As the Company is not UK-incorporated, the relevant provisions contained within the UK Companies Act have no legal effect. However, the Company has taken steps to limit the power of the Remuneration Committee, so that, with effect from the date on which the Remuneration Policy is approved, the Committee can only authorise remuneration payments or payments for loss of office in respect of the Chairman and the Executive Directors that it honestly and reasonably believes are consistent with the Remuneration Policy as approved by shareholders. In that way the Company considers the vote of shareholders on the Remuneration Policy to be binding in its application to the Chairman and Executive Directors. This remains consistent with the Company's approach to its current Remuneration Policy as set out in the 2015 Notice of Annual General Meeting, which was the last time that the Remuneration Policy was approved by shareholders.

If approved by shareholders, the Remuneration Policy will be subject to a vote by ordinary resolution at least every three years, except in the event that a change to the Remuneration Policy is proposed or the vote on the Directors' Remuneration Report is not passed in any year subsequent to the approval of the Remuneration Policy in which case the Remuneration Policy will be subject to a vote by ordinary resolution at the following AGM.

### Resolution 4 – Final dividend

The Board is recommending a final dividend for the financial year ended 31 July 2018 of 131.9 cents per ordinary share which can only be paid after the shareholders at a general meeting have approved it. If approved at the AGM, the final dividend will be paid on 5 December 2018 to shareholders on the register of members of the Company at 6.00pm (UK time) on 26 October 2018.

The default payment currency for dividends is pounds sterling, unless shareholders elect for payment to be in US dollars. The pound sterling amount to be paid in respect of the final dividend will be announced on 23 November 2018 and will be calculated using the market closing mid-point spot rate as at 4.00pm (UK time) on 22 November 2018.

Shareholders who wish to elect to receive the final dividend in US dollars (or wish to amend an existing election), will need to submit a completed application form to the Registrar by no later than 5.00pm (UK time)

on 14 November 2018 otherwise any such election will only apply to subsequent dividends. If you wish to make an election, please contact the Registrar whose contact details can be found on the back page of this document.

### Resolutions 5 to 13 – Re-election of Directors

All Directors are standing for annual re-election in line with the recommendation of the UK Corporate Governance Code, proposed through separate Resolutions 5 to 13 inclusive. Each of the Directors being proposed for re-election has been subject to a performance evaluation.

It is the view of the Chairman, supported by the Nominations Committee, that the performance of each of the Directors continues to be effective and that each Director demonstrates commitment to the role, has sufficient time to meet his or her commitment to the Company and has individual skills and experience which are relevant and beneficial to support the Board in fulfilling its duties. A summary of the skills and experience of each of the Directors is set out on pages 6 and 7 of this document.

### Resolution 14 – Remuneration of Non Executive Directors

Pursuant to and in accordance with Article 156 of the Articles, this Resolution seeks to increase the maximum aggregate amount of ordinary remuneration payable to Non Executive Directors for their services in any year, from £1,000,000 to £1,500,000. The Company is seeking such additional headroom to retain flexibility to ensure that any future annual increases in fee levels, in the ordinary course, can be made and to allow for the appointment of additional Non Executive Directors. Any payments made will be in line with the Remuneration Policy in force at the time. The total fees paid to Non Executive Directors and the Chairman for the financial year ended 31 July 2018 was £887,500.

### Resolutions 15 and 16 – Appointment and remuneration of auditors

The Company is required to appoint auditors at each general meeting at which accounts are presented to shareholders. Resolution 15, which is recommended by the Audit Committee, proposes that Deloitte LLP be reappointed as the Company's auditors until the conclusion of the next annual general meeting. It is normal practice for a company's directors to be authorised to determine the level of the auditors' remuneration for the ensuing year. Resolution 16 proposes to give such authority to the Audit Committee on behalf of the Directors.

### Resolution 17 – Political donations

This Resolution enables the Directors to incur expenditure of up to £100,000 in aggregate in respect of the activities identified in the relevant provisions of Resolution 17 (including any such expenditure by a subsidiary company) without unintentionally breaching the provisions of the Articles. It is not proposed or intended to alter the Company's policy of not making political donations, within the normal meaning of that expression. However, without the authorisation contained in this Resolution, some of the Company's activities may inadvertently fall within the prohibition contained in the Company's Articles and the Company's ability to communicate its views effectively to political audiences and to relevant interest groups could be inhibited. The authority sought will, if granted, last until the conclusion of the next annual general meeting of the Company when the Directors intend to seek renewal of this authority. The Company will continue its policy of not giving any cash contributions to any political party. Any expenditure which may be incurred under the authority of this Resolution will be disclosed in next year's Annual Report and Accounts.

### Resolution 18 – Authority to allot shares

The Company's Directors may only allot or sell Equity Securities (as defined in the Articles) if authorised to do so by shareholders. The authority conferred on the Directors at the last annual general meeting to allot Equity Securities expires on the date of the forthcoming AGM. This Resolution will give authority for the Directors to allot or sell Equity Securities (including any held in treasury) in accordance with the latest guidelines issued by the Investment Association ("IA") and Article 12 of the Articles:

- (a) up to a maximum aggregate nominal amount of £8,812,788 representing one-third of the total issued ordinary share capital (excluding treasury shares) as at 24 October 2018 (being the latest practicable date before the publication of this document) without restriction; and

- (b) the same amount again, but only in respect of a pre-emptive issue to existing shareholders by way of a rights issue or similar offer (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems).

In accordance with the IA guidelines, this authority shall expire at the conclusion of the Company's next annual general meeting (or, if earlier, at the close of business on the date which is 15 months after the date of the passing of this Resolution). Other than for the purposes of the Company's employee share plans, the Directors have no present intention of exercising this authority. However, it is considered prudent to maintain the flexibility that this authority provides.

The Company's Directors intend to renew this authority annually. As at the date of this document, the Company held 20,752,159 shares in treasury which as at 24 October 2018, being the latest practicable date before the publication of this document, represented 8.95 per cent of the total issued share capital of the Company (excluding treasury shares).

### Resolutions 19 and 20 – Dis-application of pre-emption rights

These are special resolutions. Pursuant to Article 13 of the Articles, if the Directors wish to allot Equity Securities (as defined in the Articles) wholly for cash or to sell or transfer shares out of treasury wholly for cash, they must in the first instance offer them to existing shareholders in proportion to their holdings. However, there may be occasions when the Directors need flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Articles unless the shareholders have first waived their pre-emption rights.

Resolution 19 will authorise the Directors to allot Equity Securities, conditional upon and pursuant to the authority granted under Resolution 18, wholly for cash, and to sell or transfer shares out of treasury wholly for cash, without application of the pre-emption rights contained in Article 13 of the Articles. Other than in connection with a rights issue, scrip dividend or other similar issue, the authority contained in Resolution 19 will be limited to the allotment or sale of Equity Securities wholly for cash up to an aggregate nominal value of £1,321,918 which represents approximately 5 per cent of the issued ordinary share capital of the Company (excluding treasury shares) as at 24 October 2018 (being the latest practicable date prior to the publication of this document). This authority will expire at the conclusion of the next annual general meeting of the Company (or, if earlier, at the close of business on the date which is 15 months after the date of passing of Resolution 19).

The waiver proposed by Resolution 20 is in addition to the waiver proposed by Resolution 19.

As supported by the Pre-Emption Group's Statement of Principles on pre-emption rights, Resolution 20 will authorise the Directors to allot and/or sell Equity Securities (conditional upon and pursuant to the authority granted under Resolution 18) wholly for cash without the application of the pre-emption rights contained in Article 13 of the Articles up to a further aggregate nominal value of £1,321,918, which represents approximately 5 per cent of the issued ordinary share capital of the Company (excluding treasury shares) as at 24 October 2018 (being the latest practicable date prior to the publication of this document), provided that this additional authority may only be used for the purpose of an acquisition or a specified capital investment which is announced contemporaneously with the allotment and/or sale or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment and/or sale. This authority will expire at the conclusion of the next annual general meeting of the Company (or if earlier, at the close of business on the date which is 15 months after the date of passing of Resolution 20).

The Directors have no present intention of exercising these authorities but consider that the authority is appropriate in order to allow the Company flexibility. In accordance with the Pre-Emption Group's Statement of Principles, the Directors further confirm that they have no present intention of issuing more than 7.5 per cent of the total issued share capital of the Company (excluding treasury shares) on a non pre-emptive basis pursuant to the authority in Resolution 19 in any rolling three-year period.

### Resolution 21 – Authority to purchase shares

This is a special resolution. This Resolution renews the existing authority, granted at the general meeting held on 23 May 2018, which expires on the date of the forthcoming AGM. In certain circumstances, it may be advantageous for the Company to purchase its own ordinary shares and this Resolution seeks authority to enable the Company to make market purchases of up to 23,185,045 of its own ordinary shares (being less than 10 per cent of the issued ordinary share capital of the Company (excluding treasury shares)) as at 24 October 2018 (being the latest practicable date prior to the publication of this document). The maximum price (exclusive of expenses) which may be paid for each share shall be an amount equal to the higher of (a) 105 per cent of the average of the middle market quotations for an ordinary share in the Company derived from the London Stock Exchange Daily Official List for the five business days immediately prior to the day on which the share is contracted to be purchased, and (b) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue(s) where the purchase is carried out. The minimum price (exclusive of expenses) per share shall be 11<sup>227</sup>/<sub>563</sub> pence, being the nominal value of an ordinary share. The authority conferred by this Resolution will expire at the conclusion of the Company's next annual general meeting or, if earlier, the close of business on the date which is 18 months after the date of passing of this Resolution.

The Directors have no present intention of exercising this authority to purchase the Company's shares but will keep the matter under review. The Directors will use this authority to purchase shares only after careful consideration (taking into account market conditions, other investment opportunities, appropriate gearing levels and the overall financial position of the Company). Further, the Directors intend to use this authority to buy back shares only if they believe that to do so would have a positive effect on earnings per share and would be in the best interests of shareholders taken as a whole.

Part 11 of the Companies (Jersey) Law 1991 allows shares repurchased by the Company to be held as treasury shares (rather than the Company having to cancel them). Treasury shares may be subsequently cancelled, sold or used to satisfy options issued to employees for the purpose of employee share schemes. No dividends will be paid on shares which are held as treasury shares and no voting rights will attach to them. As at 24 October 2018, being the latest practicable date before the publication of this document, the Company held 20,752,159 shares in treasury, and the Directors currently intend that any shares which are repurchased will be held in treasury as permitted by Part 11 of the Companies (Jersey) Law 1991.

As at 24 October 2018, being the latest practicable date before the publication of this document, there were outstanding share options and share awards to subscribe for unissued shares relating to 989,137 ordinary shares, which represents 0.43 per cent of the Company's issued ordinary share capital (excluding treasury shares) at that date. If the authority to purchase the Company's shares were to be exercised in full, these share options and share awards would represent 0.47 per cent of the issued ordinary share capital of the Company (excluding treasury shares).

### Notes

The following notes explain your general rights as a shareholder and your rights to attend and vote at this AGM or appoint someone to vote on your behalf.

#### 1. Entitlement to attend and vote

- 1.1** All Resolutions at the AGM will be decided by a poll. The Company believes that this is a more transparent and equitable method of voting, as shareholder votes are counted according to the number of shares held, ensuring an exact and definitive result.
- 1.2** The Company, pursuant to the Companies (Uncertificated Securities) (Jersey) Order 1999, specifies that only those persons entered on the register of members of the Company as at 7.30pm, Swiss time (6.30pm, UK time), on 27 November 2018 (the "Specified Time") (or, if the AGM is adjourned, on the register of members of the Company 48 hours before the time of the adjourned meeting) shall be entitled to attend or vote at the AGM in respect of the number of shares registered in their name at that time. Subsequent changes to entries on the register of members of the Company after the Specified Time shall be disregarded in determining the rights of any person to attend or vote at the AGM.

#### 2. Appointment of proxies

- 2.1** Shareholders entitled to attend and vote at the AGM convened by this Notice are entitled to appoint a proxy or proxies to exercise all or any of their rights to attend, speak and vote in their place at the Meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company.

A Form of Proxy, which may be used to make such appointment and give proxy instructions, accompanies this Notice and instructions for its use are shown on the Form of Proxy. The appointment of a proxy does not preclude members from attending the Meeting and voting if they so wish, however, if they do attend and vote at the AGM any proxy appointment will be treated as revoked. A shareholder may only appoint a proxy or proxies by:

- completing and returning the Form of Proxy accompanying this Notice in accordance with the instructions contained therein; or
  - going to [www.sharevote.co.uk](http://www.sharevote.co.uk) and following the instructions provided (see note 3); or
  - using the CREST system (including CREST Personal Members), having an appropriate CREST message transmitted (see note 4).
- 2.2** The appointment of a proxy, and the original or duly certified copy of the power of attorney or other authority (if any) under which it is signed or authenticated, should be deposited with the Company's Registrar, Equiniti (Jersey) Limited, c/o Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA (the "Registrar") or received via the Sharevote service or lodged via the CREST proxy service (in each case) not later than 12.30pm, Swiss time (11.30am, UK time), on 27 November 2018 or 48 hours before the time appointed for holding any adjourned meeting. If more than one proxy appointment is returned in respect of the same holding of shares, either by paper or by electronic communication (save as described in note 2.1 above), that proxy received last by the Registrar before the latest time for the receipt of proxies will take precedence.
- 2.3** To appoint more than one proxy, you may either photocopy the Form of Proxy accompanying this document or contact the Registrar to request additional personalised forms.
- 2.4** Further instructions for appointing a proxy or proxies are contained in the explanatory notes to the Form of Proxy accompanying this Notice.

#### 3. Electronic proxy voting

Shareholders may register the appointment of their proxy or proxies or voting directions electronically via the Sharevote service at [www.sharevote.co.uk](http://www.sharevote.co.uk), where full details of the procedure are given. Shareholders are advised to read the terms and conditions of use carefully and will need the Reference Number, Card ID and Account Number set out on the Form of Proxy. Electronic communication facilities are available to all shareholders and those who use them will not be disadvantaged. The Company will not accept any communication that is found to contain a computer virus.

#### 4. Electronic proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies or to give or amend an instruction to a previously appointed proxy through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual or as set out on the Euroclear website ([www.euroclear.com](http://www.euroclear.com)). CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Equiniti (ID 7RA01) by no later than 12.30pm, Swiss time (11.30am, UK time), on 27 November 2018. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message. No such message received through the CREST network after this time will be accepted and any change of instructions to a proxy appointed through CREST should be communicated to the proxy by other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider to procure that his or her CREST sponsor or voting service provider take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitation of the CREST system and timings and to the relevant website at [www.euroclear.com](http://www.euroclear.com).

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.

#### 5. Corporate representatives

Any body corporate which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers, provided that if two or more representatives purport to exercise any power (including any vote) in respect of the same shares:

- if they purport to exercise the power in the same way as each other, the power is treated as exercised in that way; and
- in other cases, the power is treated as not exercised.

### 6. Nominated persons

Any person to whom this Notice is sent, who is not a shareholder but is a person nominated by a shareholder under Article 73 of the Articles to enjoy information rights (a “nominated person”), may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a nominated person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in notes 2 to 4 does not apply to nominated persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.

### 7. Issued share capital and voting rights

As at 24 October 2018, being the latest practicable date prior to the publication of this document, the Company’s issued share capital consisted of 252,602,622 ordinary shares with each ordinary share carrying one vote, except for any shares held in treasury.

The Company held 20,752,159 shares in treasury and therefore the total number of voting rights in the Company as at 24 October 2018 was 231,850,463.

- copies of letters of indemnity for each of the Directors.

### 9. Shareholders’ statement

Shareholders should note that it is possible that, pursuant to requests made by shareholders of the Company under the Articles, the Company may be required to publish on a website a statement setting out:

- (a) any matter relating to the audit of the Company’s accounts (including the auditors’ report and the conduct of the audit) that are to be laid before the AGM; or
- (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting of the Company at which annual accounts and reports were laid.

The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with such publication requirements. Where the Company is required to place a statement on a website under the Articles, it must forward the statement to the Company’s auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under the Articles to publish on a website.

### 10. Questions at the AGM

All shareholders and their proxies have the right to ask questions at the AGM and via the proposed audio-visual link from London (unless for some reason it ceases to be available). The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation of the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered. The Chairman may also nominate a Company representative to answer a specific question after the AGM.
